Important Tax Registration Information. Keep for your records.

Congratulations! You are now registered to operate your business in Washington.

Your Unified Business Identifier (UBI) number shown above is a nine-digit number linking your business to the following UBI agencies if applicable:

- The Department of Revenue.
- The Office of the Secretary of State.
- The Department of Employment Security.
- The Department of Labor and Industries.

A Department of Revenue (DOR) tax account is also assigned to your business for reporting taxes. Please refer to the account ID shown above any time you contact DOR for assistance with your tax account.

Based on the date your business opened, the first return you must file is the annual period ending 12/31/2026 and is due on **April 15, 2027**.

Filing due dates

Your taxes must be filed **annually**. Annual filers are required to file and pay taxes electronically (e-file). All future communications from us will be sent electronically to your secure My DOR online account.

The due date for the annual excise tax return is April 15th following the taxable period (e.g. January 1 through December 31 of the previous year). When a due date falls on a weekend or legal holiday, the due date extends to the next business day.

You must file a tax return each year, even if you do not have business activity to report.

Electronic filing requirement

You are required to file and pay electronically unless you have an approved exemption (RCW 82.32.080). Go to dor.wa.gov/mandatory-e-file for more information. If you cannot file and pay electronically, request an exemption by sending a written explanation to:
